Instructor Application	4-14

An outstanding opportunity exists for retiring or retired Marines to continue their Marine Corps experience within the Marine Corps Junior ROTC Program. Retired Marine Officers serve as Senior Marine Instructors and retired Staff Noncommissioned Officers serve as Marine Instructors in units located in high schools throughout the United States. This document provides information on the qualifications and characteristics of service required for application. Should any additional information be required, please visit our website <a href="https://www.mcjrotc.marines.mil">www.mcjrotc.marines.mil</a> or call MCJROTC HQ at 703-784-3706.

# **Job Descriptions**

### **Senior Marine Instructor (SMI)**

Senior Marine Instructors manage the MCJROTC Program at their respective schools. They function as regular faculty members and have the same responsibilities as department heads in the school. The SMI distributes the instructional workload with the MI. In addition to teaching duties, the SMI works with both the school and community in maintaining and strengthening the MCJROTC program.

## **Marine Instructor (MI)**

Marine Instructors normally manage the administrative and supply requirements of the unit in addition to their teaching responsibilities. The MI functions as a regular faculty member, working with the SMI, but may also work with other school officials, faculty members, as well as community leaders and parents to maintain and strengthen the program.

Individuals employed as MCJROTC Instructors will not perform duties or teach classes in any other discipline unless the performance of such duties does not interfere with both the curricular and extracurricular activities associated with the conduct of the MCJROTC Program. This provision is not intended to preclude MCJROTC Instructors from serving on committees or performing other routine duties that are regularly rotated among faculty members. Because of their duties, MCJROTC Instructors are required to be in good physical condition and able to demonstrate physical training techniques and supervise cadet activities.

## **MCJROTC Instructor Qualifications**
